Subject: **COUNTY DEPARTMENTS' REVOLVING FUNDS AND REVOLVING  
CASH TRUST FUNDS AS OF JUNE 30, 2010**

Attached are detailed reports on County departments' Revolving Funds (Attachment 1) and Revolving Cash Trust Funds (Attachment 2) assignments. The reports show the responsible County officer, fund number, account number and amount for each assignment as of June 30, 2010. The Auditor-Controller (A-C) is required to file this report with your Board annually.

**Background**

On April 4, 1978, your Board adopted a resolution, pursuant to Government Code Section 29321.1, authorizing the A-C to perform the functions of your Board to establish, discontinue, increase or decrease revolving funds. Departments use the revolving funds to make change, small purchases and for other specific purposes, such as Cash Aid disbursements.

Similarly, on October 21, 1980, your Board adopted a resolution, pursuant to Government Code Section 25252.6, authorizing the A-C to perform the functions of your Board to establish and determine the amount of Revolving Cash Trust Funds (RCTF). Departments use RCTFs to expedite high volume refunds.

**Summary of Activity**

Total Revolving Fund assignments as of June 30, 2010 were \$10,986,254. The Children and Families First Proposition 10 Commission (Commission) accounted for \$8 million of the total Revolving Fund assignments. The Commission is required to keep its funds in the County Treasury. The remaining \$2,986,254 in Revolving Funds is assigned to various County departments as detailed in Attachment 1. Total RCTF assignments were \$1,262,720 as detailed in Attachment 2.

For Fiscal Year 2009-10, Revolving Fund assignments decreased by a net of \$30,000, because the Department of Parks and Recreation (Parks) decreased its revolving fund by \$30,000 based on current and anticipated usage. RCTF assignments were unchanged.

### Schedule 1 - Revolving Fund Assignments

Revolving fund monies, established in accordance with Government Code Section 29321.1, are available for use by department heads to make change when necessary in carrying out official County business and to make authorized purchases of services and materials which are legal charges against the County. A departmental revolving fund can be assigned or sub-assigned to various locations (sections, divisions, etc.) within a department. Departments handle each sub-assignment in the same manner as the regular fund assignment.

Departments may also request revolving funds for specific purposes such as Cash Aid disbursements and grants. Regardless of the purpose, authority to spend funds must be granted in the Board approved budgetary process and operating funds must be encumbered prior to making expenditures.
